Triumvirate

Manilla Road

Wasted away
Through both night and day
I was living in a fantasy
Totally lost
Without a cause
But now I'm back to realityFirst there were two
Then the infamous three
The master plan is now complete
Metal winds
Are with us again
We found our destinyTriumvirate
Just the three of us
Against the world
Dust to dust
The Triumvirate
Will live on foreverYou don't care
Destroy your mind
Go to war
GenocideWe sailed the river Styx
In our prime
Journeyed north
The mirrors of time
The powerhouse
Lets loose their mightWasted away
Through both night and day
I was living in a fantasy
Totally lost
Without a cause
But now we've found our destinyTriumvirate
Just the three of us
Against the world
Dust to dust
The Triumvirate
Will live on forever
It's not the endTriumvirate
Just the three of us
Against the world
Dust to dust
The Triumvirate

Will live on foreverTiumvirate
Just the three of us
Against the worldWith fire or fury
We sing the song
We've seen the dreams
Of Eschaton
