

Frankenstein

New York Dolls

Something must have happened over Manhattan
Who can expound all the children this time?
Could they ever, could they ever
Expect such a Frankenstein, a Frankenstein
I remember when you were jam-jammin'
You were better than any of them

There was never nothing you would ever understand
But you know who was there to be your master
Making his demented plans
He's always makin' his plans
When those plans, they don't fit your style
You get a feeling of your own ordeal
That's when he starts calling you out
And you just don't know what to do
So now you come around here
And you're trying to take over the town
Just because of back home, baby
How he puts you down
Oh, baby, how he puts you down

I know they put you downSo now, you're off starting 'round here
Bitterness at your demands
In a place where they don't expect nothing
You're trying not to dirty your hands
When asking you as a person
Is it a crime, is it a crime
For you to fall in love with Frankenstein?
Is it wrong, could it be wrong
Wrong, baby, don't you want a friend?
'Cause you're trying to be so selective
You never realize the whole time
Who's the one you're loving
Misunderstood like a Frankenstein
And down, down, down, just off the desk

Like Frankenstein, like FrankensteinSo now you're telling me
What everytime you can get on home
Well, don't you know this place, it is my home
So where am I gonna go?
You know, when you don't expect nothing
No, you're not alone, you know you're not alone

'Cause something must have happened over Manhattan
Who can expound all the children this time?
 Could they ever, could they ever
 Expect such a Frankenstein?
A Frankenstein, FrankensteinAnd oh, his shoes are too big
 And oh, his jacket's too small
I'll show you a Frankenstein, Frankenstein [?]
 We're asking you as a person
 Is it a crime, is it a crime
For you to fall in love in with Frankenstein?
 Is it wrong, could it be wrong
 Oh, baby, don't you want a friend?
Well, Frankenstein, oh, Frankenstein, Frankenstein
 Frankenstein, frankenstein
 Frankenstein, frankenstein
 Frankenstein, frankenstein
My name is Frankenstein, frankenstein
 Frankenstein, frankenstein
 You're gonna get it, you're gonna get it
 You're gonna get it from Frankenstein
That's right, you're gonna get it, you're gonna get it
You're gonnna get it when Frankenstein gets home
 I'm gonna shout about
I'm gonna scream about, I'm gonna shout about it, bitch about it, scream about it
 Gonna get it, Frankenstein
 Frankenstein, Frankenstein, Frankenstein
 Frankenstein, Frankenstein
 Frankenstein, Frankenstein
My name is Frankenstein, Frankenstein
 Frankenstein
 I've gotta ask you one question
Do you think that you could make it with Frankenstein?
