

Going Down to the Church House

Marvin Morrow

All my life I've been rowdy
I never done the things that's right
All my life I've been rowdy
Never done the things that's right
But now I know where I'm headed
And I can't sleep at night

Cho.

I'm going down to the church house
Get down on my knees and pray
Going down to the church house
Get down on my knees and pray
And ask the Good Lord up in Heaven
to wash my sins away.

Ever since I met Jesus things ain't
Been the same
Since I met the man named Jesus things ain't been the same
For all the joy that I'm feeling
I just can't explain.

Cho.

Now let me tell you sinner
just what you need to do
let me tell you sinner
just what you need to do
Get on down to the church house
Heaven have a little talk to.

Going down to the church house
get down on my knees and pray
Going down to the church house
get down on my knees and pray
Raise my hands towards Heaven
And give Jesus all my praise.
