

# Forever Time

## Black Flag

Time  
Time  
Time  
Forever time  
It's time to walk by me  
One last time, it's timeAt first  
Relax  
Get set  
Get your message from time  
Time, time, time, timeTime  
Time  
Time  
Forever time  
It's time to look into my eyes  
One last time, it's timeI feel I'm some kind of death machine  
With skin and muscles and a heart  
That pumps my blood  
Time, time, time, timeTime  
Time  
Time  
Forever time  
It's time to kiss me goodbye  
One last time, it's timeThis is the first time  
This is the last time  
It's my only time  
But it's only time  
Time  
Time  
Time
