

Eye for an Eye (live)

Soulfly

I am what I create
Believing in my fate
Integrity is my name All that I am doing
Can never be ruined
My song remains insane
Eye for an eye
Eye for an eye
Eye for an eye
Eye for an eye for an eye for an eye
Fuck Can't you watch my back
Can't you let my heart
Believe what they have fired ? To reunite the tribe
To find a better way
Fucking envy changes everything Eye for an eye
Eye for an eye
Eye for an eye
Eye for an eye for an eye for an eye That's right! (right) I hate to borrow
You don't understand
Pain, hate, pain To born again
Arise again
I believe it's the only way Eye for an eye
Eye for an eye
Eye for an eye
Eye for an eye for an eye for an eye
