

# Hear My Prayer

Annie Grace

Verse 1:

In my prayer, let me cry to you  
I am weak in my distress  
Lie awake with my baby in my womb  
As i dream of you

Pre-chorus:

I may never touch your face  
I may never comb your curly hair  
I may never tuck u in bed  
Sing you a song my precious baby

Chorus:

Oh but you are sleeping in the arms of Jesus  
You are running around in heaven  
Rejoicing and laughing with Jesus  
Baby I know, ill see u again  
You are free, loved, cherished my baby  
Daddy and I will never forget u  
Its hard you know but this is the hope we have  
We'll see u again my baby  
We'll see u again

Verse 2:

Thank u Lord though I am weak i am strong  
So complete in your embrace  
And my days vanish like smoke  
My heart just beats for my baby

Pre-chorus:

And i hear u calling my name  
And i see u holding my hand  
We are dancing in the rain  
Sweet Jesus you are  
You are here
