Sheila

Morphine

Shelia has a cat, she pets the cat
Puts a spell on the cat, a beautiful cat
Shelia has a cat, she pets the cat
Yeah, the beautiful cat says, Shelia, SheliaShelia has a cat, she pets the cat
Puts a spell on the cat, a beautiful cat
She takes the cat, looks him in the eyes
Makes him reply Shelia, SheliaOh, most gracious of beings
Oh, most gracious of beings, my queen
I'm yours to command, yours to command
I'm yours to command, Shelia, SheliaShelia has a cat, she pets the cat
Puts a spell on the cat, she runs her fingers down his back
'Cause Shelia has a cat, puts a spell on the cat
Looks him in the eyes makes him reply, Shelia Shelia
Shelia Shelia
