I Must Be In a Good Place Now

Bobby Charles

Wild apple trees blooming all around
I must be in a good place now
Sunshine coming through
Rainbow coloured sky
Paints pretty pictures in my mindOh what a good day to go fishing
And catch the sunset in the hills
Dream of my yesterdays and tomorrow
And hope that you'll be with me stillSaw a butterfly and I named it after you
Your name has such a pleasant sound
Love is all around and all I see is youI must be in a good place nowOh what a good day to go fishing
And catch the sunset in the hills
Dream of my yesterdays and tomorrow
And hope that you'll be with me stillSaw a butterfly and I named it after you
Your name has such a pleasant sound
Love is all around and all I see is you
I must be in a good place now
I must be in a good place now
