

Without Her

[Ringo Starr](#)

Softly I search my memories
And hope I may find yesterday
And just like her, my thoughts wander
And like her quietly slip away Love brings out the weakness in a man
And I'm so weak I just can't stand
To be without her, without her
Without her There was a time she walked with me
But yesterday comes only one time
And I can see a tomorrow
With yesterday clinging to my mind Time will take her memory they say
But it gets harder every day
To live without her, without her
Without her
