The Way You Like It(Sam Citrin

Adema

I'll get inside you
I'll get inside youDon't live with shame, 'cause feelings change but fame remains
The reason why your gonna want to take me home tonight
It's all the same up in this game, the people change
And money claims everyone from everything
I can't believe that you would think that shit of me
I was amazed at the torment that you put me through
If you can see right through the greed and all your needs
You realize that you were just about as bad as meSometimes I only remember the days when I was young
Nowadays no one remembers when they were young and stupid
(The way you like it)
Come on baby help me, someone to confide in
(I'll get inside you)
Now you're beggin' me to stay
(I'll get inside you)My life has changed but fuck the fame, I'll stay the same
You can't complain when you can pay the bills and do your thing
Appreciate, don't player hate, congratulate
I miss the pain and the torment that you put me through
(I'll get inside you)
So what's to fear when everything is crystal clear
You realize that you should do the things you want to do
Don't give in to what people say, don't be ashamed
To separate the feelings on your mind you can't sedate
(I'll get inside you)Sometimes I only remember the days when I was young
Nowadays no one remembers when they were young and stupid
(The way you like it)
Come on baby help me, someone to confide in
(I'll get inside you)
Now you're beggin' me to stay
I'll get inside you
Now you're beggin' me to stay
(I'll get inside you)You would always say I'd never be shit
They would always say I'd never be shit
But look at me now, look at me now
Now you're beggin' me to stay
I'll get inside you
Now you're beggin' me to stayThe way you like itSometimes I only remember the days when I was young
Nowadays no one remembers when they were young and stupid
(The way you like it)

Come on baby help me, someone to confide in
(I'll get inside you)
Now you're beggin' me to stay
Sometimes I only remember the days when I was young
(I'll get inside you)
Nowadays no one remembers when they were young and stupid
(The way you like it)
Come on baby help me, someone to confide in
(I'll get inside you)
Now you're beggin' me to stay
(I'll get inside you)
Now you're beggin' me to stay
(I'll get inside you)
Now you're beggin' me to stay
(The way you like it)
