## Duncan Sheik

Don't get me wrong
I'm feeling okay
But when I'm without you
It's just not the same
Don't misunderstand me
I'm feeling alright
But when I'm without you
The day turns into night
Into night
I dream of a future
A possible place
We lie together
Face to face
And I'm looking forward
I will not deny
I dream of a future
Made for you and I
You and I
I'm with you
No longer alone
When I'm with you
Feels like I'm home
And you are with me
No longer alone
How can it be?
Feels like I'm home
I look through the darkness
Into the sky
The moon up above me

Brilliantly shines
I've never been happier
Watching it glow
Here by myself
But I know I'm not alone
I'm not alone
I look through the brightness
Into the sky
The sun up above me

Spitting out fire
Call me a child
Call me naive
The world is much brighter
Than it ever used to be
Used to be
I'm with you
No longer alone
When I'm with you
Feels like I'm home
And you are with me
No longer alone
How can it be?
Feels like I'm home
Feels like I'm home
Feels like I'm home
Feels like I'm home
Feels like I'm home
