

# Superwoman

Paulini

Early in the morning I put breakfast at your table  
And make sure that your coffee has its sugar and cream  
Your eggs are over easy, your toast done lightly  
All that's missing is your morning kiss that use to greet me  
Now you say the juice is sour  
It used to be so sweet  
And I can't help but to wonder  
If you're talking 'bout me  
We don't talk the way we used to talk  
It's hurting so deep  
I've got my pride, I will not cry  
But it's making me weak  
I'm not your superwoman  
I'm not the kind of girl that you can let down  
And think that everything's okay  
Boy, I am only human  
This girl needs more than occasional hugs  
As a token of love from you to me, ooh, baby  
I fought my way through the rush hour  
Trying to make it home just for you  
I want to make sure that your dinner  
Will be waiting for you  
But when you get there you just tell me  
You're not hungry at all  
You said you'd rather read the paper  
And you don't want to talk  
You'd like to think I'm just crazy  
When I say that you've changed  
I'm convinced I know the problem  
You don't love me the same  
You're just going through the motions  
And you're not being fair  
I've got my pride, I will not cry  
Still I can't help but care  
I'm not your superwoman  
I'm not the kind of girl that you can let down  
And think that everything's okay  
Boy, I am only human  
This girl needs more than occasional hugs

As a token of love from you to me  
I'm not your superwoman  
I'm not the kind of girl that you can let down  
And think that everything's okay  
Boy, I am only human  
This girl needs more than occasional hugs  
As a token of love from you to me  
Ooh baby, look into the corners of your mind  
I'll always be there for you through good and bad times  
But I can't be that superwoman that you want me to be  
I'll give my love, oh, lasting love if you'll return love to me  
I'm not your superwoman  
I'm not the kind of girl that you can let down  
And think that everything's okay  
Boy, I am only human  
This girl needs more than occasional hugs  
As a token of love from you to me  
Ah ha, if you feel it in your heart  
And you understand me  
Stop right where you are  
Everybody sing along with me  
I'm the kind of girl that can treat you so sweet  
But you've got to realize  
That you've got to be sweeter to me  
I need love, I need just your love  
I'm not your superwoman  
I'm not the kind of girl that you can let down  
And think that everything's okay  
Boy, I am only human  
This girl needs more than occasional hugs  
As a token of love from you to me
