

# Diesel Power

## Prodigy

Yo! I used to check out lyrics and pump the format  
Build with skill with technique, computer A-DAT  
My lyrical form is clouds on your brainstorm  
I get hyped think thought flow, acrobat, sink the track, pump the track  
Transmissions, close like spores react, past strong visions  
And hurrying more reflects on the dance floor  
Blowing up and having mad people showing up  
Packing crowds jam packed venues  
Needles collapse, while atmosphere continues  
To sprinkle that,  
Winnin' like that, movin' like that, hittin' like that  
The melody is phat  
Yo, I'm on the energy source  
The cosmic boss  
With Prodigy  
Given astrology  
My intellect's devour  
With Diesel Power  
Blows your mind drastically, fantastically  
Blows your mind drastically, fantastically  
Blows your mind drastically, fantastically  
Blows your mind drastically, fanta..  
We spin back rewind. Diesel Power  
Blows your mind drastically, fantastically  
It has to be, automatically  
Check it out. You better work it out  
Change to another bout  
My techniques, strategies, abilities.  
Will leave cordless mics hanging like spring leads  
Do a track so fast. Beyond from you and I  
Lyrical tactics, vocal gymnastics  
Ease and pepped up  
You get swept up  
Smacked up, backed up, your crew's all cracked up  
Check it slow  
Pick choose quick  
You can't stick  
My medical range is strange as angles  
You get tangled. Twist inside a fraction

Channels repeat, complete. Can't compete  
Check the hour texture  
Mind adventure  
Exploit the point  
Into tracks to devour  
My intellectual proceed  
With diesel power  
Blows your mind drastically, fantastically  
Blows your mind drastically, fantastically  
Blows your mind drastically, fantastically  
Blows your mind drastically, fanta...  
Back attack the wack  
Pack the fax to me  
You don't want none  
High quality action, b, still standing  
Damaging your other manner  
Quick reverse  
Potent as the first verse  
My amplifier blows on your world's higher  
World's sire  
Cuts like a barbed wire  
Record play  
I pull up on you every day  
Fast forward  
I move and I swing toward  
Exit load  
Put your brain in right mode  
Selective mix  
The man will perfect the fix, heads lightly, bite me  
Copy Xereos. Cops' sandblocks  
You can't knock them out there  
I'll keep lifting, shifting, persistent  
Intelligent kingpin  
Given astrology  
As I roll with Prodigy  
With Diesel Power  
Blows your mind drastically, fantastically  
Blows your mind drastically, fantastically  
Blows your mind drastically, fantastically  
Blows your mind drastically, fanta...  
Mono 706  
8073421 Robot sonic
