

# Kyur4 Th Ich

## Linkin Park

I'd like to introduce [echo fade]  
In your [echo]  
In your [being scratched]  
In your sound institute of invention  
And revival of audio weapon systems.

Let's try [being scratched]  
Let's try something else.

Folks we have a very special guest for you tonight [echo fade]  
**BREAK IT DOWN!** Cut it up! Using the waves of sound.  
A true master paralyzes his opponent  
Leaving him vulnerable to attack...  
Mr. Hahn..
