

# Nether Lands

[Dan Fogelberg](#)

High on this mountain the clouds down below  
I'm feeling so strong and alive  
From this rocky perch, I'll continue to search  
For the wind and the snow and the sky Oh I want a lover and I want some friends  
And I want to live in the sun  
And I want to do all the things  
That I never have done Sunny bright mornings and pale moonlit nights  
Keep me from feeling alone  
Now, I'm learning to fly and this freedom is like  
Nothing that I've ever known Oh I've seen the bottom and I've been on top  
But mostly I've lived in between  
And where do you go  
When you get to the end of your dream? Off in the nether lands I heard a sound  
Like the beating of heavenly wings  
And deep in my brain I can hear a refrain  
Of my soul as she rises and sings Anthems to glory and anthems to love and  
Hymns filled with earthly delight  
Like the songs that the darkness  
Composes to worship the light Once in a vision I came on some woods  
And stood at a fork in the road  
My choices were clear yet I froze with the fear  
Of not knowing which way to go One road was simple acceptance of life  
The other road offered sweet peace  
When I made my decision  
My vision became my release
