

# Tears (Dezrock Radio Mix)

## Rockell

So when were you planning to tell me?  
When did you know it for sure  
That you didn't want my love  
That you didn't need me anymore? Did you promise to love her forever?  
Did you tell her how happy she wouldn't be?  
Did she believe all the lies?  
Did you tell her about me? Tears are all that she has now  
Now that she has you  
You're gonna feel the pain someday  
When it comes back to you Will you remember tomorrow  
How we sleep tonight?  
Knowing how you hurt  
That what you're doing isn't right Are you leading her on with your kisses  
And words of what could be?  
Leaving a flower so  
She could fall for all to see Tears are all that she has now  
Now that she has you  
You're gonna feel the pain someday  
When it comes back to you Tears are all that she has now  
Now that she has you  
You're gonna feel the pain someday  
When it comes back to you The tears, the tears are falling  
But your time I know is coming  
What you do today  
Will come back and you will see  
What it feels to be in tears The tears, the tears are falling  
But your time I know is coming  
What you do today  
Will come back and you will see  
What it feels to be in tears Tears are all that she has now  
Now that she has you  
You're gonna feel the pain someday  
When it comes back to you Tears are all that she has now  
Now that she has you  
You're gonna feel the pain someday  
When it comes back to you Tears are all that she has now  
Now that she has you  
You're gonna feel the pain someday

When it comes back to you
