When I Look In Your Eyes

Linda Eder

When I look in your eyes
I see the wisdom of the world in your eyes
I see the sadness of a thousand goodbyes
When I look in your eyes
And it is no surprise
To see the softness of the moon in your eyes
The gentle sparkle of the stars in the skies
When I look in your eyes
In your eyes
I see the deepness of the sea
I see the deepness of the love
The love I feel you feel for me
Autumn comes summer dies
I see the passing of the years in your eyes
And when we part there'll be no tears,
No good-byes
I'll just look in your eyes
Those eyes so wise, so warm, so real
How I love the world your eyes reveal
