The Hollow

Sling Seed

Lost love is into sorrow
Long shot for tomorrow
Be still my soul to follow
Horseman is in the hollow

A sweet song for my savior
'Cause I'm a blood bought filthy Parader
A sweet song for my savior
'Cause I'm a blood bought filthy Parader

High speed my mind is racing
My steed the dream I am chasing
Believe no time for wasting
Horseman is riding wasted

A sweet song for my savior
'Cause I'm a blood bought filthy Parader
A sweet song for my savior
'Cause I'm a blood bought filthy Parader
