Advisory - the following lyrics contain explicit language:

Can everybody shout hey-yo

To Ms. Couch Potato

She's in her own world in the state of San Diego

Drives a '98, oh

Her wage and mind is way low

Pops' little girl but he ain't too proud to say, thoughNow I'm sayin' how the hell I'm gon' stop her

Can you tell me am I ever gon' stop her

Now that she don't wanna be proper

So can you tell me how the hell I'm gon'

How the hell I'm gon' stop her?But she don't really show

That she be getting high just to balance out the lows

Daddy probably tell her baby that ain't how it goes

But she know daddy be mad only when her daddy knowsNow I'm sayin' how the hell I'm gon' stop her

Can you tell me am I ever gon' stop her

Now that she don't wanna be proper

So can you tell me how the hell I'm gon'

How the hell I'm gon' stop her?See, I ain't gon' to dwell on nothin'

Now I ain't gonna dwell on it, no

I ain't gonna plan to bluff it

Tryna stop her

No, I won'tI ain't gon' dwell on nothin'

I ain't gon' dwell on livin' that life

That they wanted me to live, no oh ohCan everybody shout hey-oh

To this nice sir

Mr. Couch Potato just like her

He loves what she does

When she does what she loves

Now they got this feelin' that this just might workSingin' how they hell they gon' stop us

Can you tell me are they ever gon' stop us

They know we don't wanna be proper

They ain't ever gon', girl

They ain't ever gon' stop usSaid I ain't gon' to dwell on nothin'

Now I ain't gon' dwell on it, no  
I ain't gonna plan to bluff it  
Tryna stop her
