

Never Wanna Let You Go

The Walls Group

Lying here beside you, in a cloud of warmth
I've been awake all night but move
Though I know I should
Counting curls n your hair, as you sleep so tight
I wonder if you'll ever know 'till I go
The chances are you'll be there too some day
We'll never know, let's hope

Chorus:
Never wanna let you go

Never wanna let you go

All I can do is hope

'cause I never wanna let me go
Dreaming soft in silence, been working hard all day
Still in the night grows darker, I'm with you in every way
Chorus I don't know whether I'm trying to love, love
you baby
Been round long enough to know
