Dead and Gone

Jake Miller

Will you remember me (will you remember me)
When I'm dead and gone
When I'm dead and gone
When I'm
Dead and gone
When I'm dead and gone
When I'm dead and gone, gone, goneWill you remember me
I hope you remember me
I'm a make you remember meYeah, I'll be honest this song will probably never go platinum
But listen close cause it's the most important song in this album
All those numbers on your tombstone
Those don't mean a thingWhat really matters most is that dash that's in betweenWill you remember me long after I'm dead and gone
6 feet underground but everything I built will carry onEverything I work for
Everything I live forThis shit is so much deeper than just sellin
Out to fillmoreI promise I'm a help you find your passion
I'm a change your lifeI'm a guide you through this tunnel till'
You see the lightAlways givin you my heart and soul
When I'm gone where does it go
I just gotta know
Will you remember me (will you remember me)
When I'm dead and gone
When I'm dead and gone
When I'm
Dead and gone
When I'm dead and gone
When I'm dead and gone, gone, goneWill you remember me
I hope you remember me
I'm a make you remember meYeah, look I'll be honest this song will
Probably never go platinumBut listen close cause it's the most

Remember meWhen I was young I rememeber my dad
Said to me
You better leave your mark
You better leave your imprintYour life is just a waste if you don't try to
Make a difference
Cause if you had the power to change the
World and you don't use it rightI'll be honest with you
I don't know how you could sleep at nightBut forget about you I'm tryin to write my own wrongsGivin you my

heart and soul when I'm gone
Where does it go
I just gotta knowWill you remember me (will you remember me)
When I'm dead and gone
When I'm dead and gone
When I'm
Dead and gone
When I'm dead and gone
When I'm dead and gone, gone, goneWill you remember meI'll be honest this song will probably
