

Black Is The Soul

Korn

[Verse 1]

As it all falls down, do I walk away
Or do I stand my ground, and accept my fate[Pre-Chorus]
Amidst the faceless cries, that twist my every dream
And almost every night, I hear the demon sing

[Chorus]

Why are we going on this way?
Why do we play these games in vain?
Nothing's gonna break it down and build us back again
So why did the path have to lead this way?
Black is the soul that's led astray
You're leading me to places I can never follow[Verse 2]
Happiness is found in the darkest ways
And as I searched around, I've made nothing but mistakes[Pre-Chorus]

Amidst the faceless cries, that twist my every dream
And almost every night, I hear the demon sing[Chorus]

Why are we going on this way?
Why do we play these games in vain?
Nothing's gonna break it down and build us back again
So why did the path have to lead this way?
Black is the soul that's led astray

You're leading me to places I can never follow[Verse 3]
And when you scream you push me so much further and
And when I leave, I always would walk back again
And when you cry the tears are cleansing bitterness

I'm out of time, I'm slowly dying give me back my LIFE!Just give me back my life x4[Chorus]

Why are we going on this way?
Why do we play this game
Nothing's gonna break it down and build us back again
So why did the path have to lead this way?
Black is the soul that's led astray

You're leading me to places I can never follow[Verse 1]
As it all falls down, do I walk away
Or do I stand my ground, there's nothing left to say
