Hello It's Me

The Isley Brothers

Hello, it's me
I've thought about us for a long, long time
Maybe I think too much but something's wrong
Something's here that doesn't last too long
Maybe I shouldn't think of you as mine, but I can't help it baby
Seeing you, seeing anyone as much as I do you
I take for granted that you're always there
I take for granted that you just don't care
Sometimes I can't help seeing all the way through, babyIt's important to me
That you know you are free
Cause I never want to make you change for me, babe (don't change, don't change)
No, I wouldn't change you, change you for the world (don't change, don't change)
No, don't change, girl (don't change, don't change)
Stay as sweet as you are (don't change, don't change)
But one thing I want you to do isThink of me, think of me, baby
You know I'd be with you if I could
Come around and see you once in a while
If you ever need a reason to smile
I'd spend the night if you think I shouldIt's important to me
That you know you are free
Cause I never want to make you change for me, don't changeAnd I'll come around and see you every once in a while
If you ever need a reason to smileJust don't change, girl (don't change, don't change)
