

Nice (feat. Game)

Chris Brown

Scott Storch, Game, Chris Brown
The meanest, the meaner, for a second I seen her
Had me open, got me lookin, losin all my control
The passion Im feignin, baby, you're the new meanin
But I found myself trippin when you walked through the door
And I know it's not like me gettin beside myself
She got me feelin that way
And I know its unlikely that you gon deny me
And just walk away I'll be that guy that dont have time to play
Flippin like a schedule, well, its bout the same
The ballers in your court aint ready for your game
Its lookin like them knockers ready for my chain
She be that girl I'll be waitin for
Sending me them signals that I can't ignore
But I was gonna get her on the dance floor
Then I saw her headed to the exit door
I call her nice cause she got it
Do whatever, whenever cause she bout it
That deers nice cause I got it
Do whatever, whenever cause Im bout it
I'm fallin for her, she got me trapped
That girls nice cause she got it
Cause she got it, she got it, breathe, breathe
Her body is screamin, believe that Im listenin
To hear what youre sayin, girl, I'm losin my cool
You got you a soldier and I got me a rider
And you ain't gotta stress it cause it's nothin to prove
I know it ain't easy being a sexy girl
Thats always gettin in her way
But I'm here to tell you, you got me up on you
And I won't let you slip away
I'll be that guy that dont have time to play
Flippin like a schedule, well, its bout the same
The ballers in your court aint ready for your game
Its lookin like them knockers ready for my chain
She be that girl I'll be waitin for
Sending me them signals that I can't ignore
But I was gonna get her on the dance floor
Then I saw her headed to the exit door
I call her nice cause she got it
Do whatever, whenever cause she bout it
That deers nice cause I got it
Do whatever, whenever cause Im bout it
I'm fallin for her, she got me trapped
That girls nice cause she got it
Cause she got it, she got it, breathe, breathe
Yeah, you, just know now that it's bout to go down
The club is packed up, the word around town
That this is the jump off, you know when drops
That this is the jump off
I did it for Big Pac and for my Chris out the [Incomprehensible] are too hot
Theyre takin their clothes off, theyre yellin out Tupac

Cause I'm from the west side and the from the east coast
My from down south, theyre lettin their teeth showCause this ain't Def Jam and this ain't Bad Boy
This ain't Star Trek, this is the last court
Theyre turnin the lights on, the bar is shut down
I'm walkin with Scott Storch and me in the front nowThe is with me, theyre ready to pop off
Youre bringin your girlfriends, you gotta get knocked off
So hop in the 6.4 cause this bout to go down
Its goin downI call her nice cause she got it
Do whatever, whenever cause she bout it
That deer nice cause I got it
Do whatever, whenever cause Im bout itI'm fallin for her, she got me trapped
That girls nice cause she got it
Cause she got it, she got it, breathe, breatheI call her nice cause she got it
Do whatever, whenever cause she bout it
That deer nice cause I got it
Do whatever, whenever cause Im bout itI'm fallin for her, she got me trapped
That girls nice cause she got it
Cause she got it, she got it, breathe, breathe
