Say Yeah!

Yves Larock

Say yeah yeah yeah
We got it goin' on keep on rockin'
Till the break of dawn got it goin' on and on
Hey girl sitting there
Looking so fly thinkin'
You'r so cool
I'm just king of guy you need
To rock your world
Throw down your wishin'
Well if you wanna kiss then
I won't tell break it down
Catch my eye so
We can get it on
Can't you see

That I'm on my knees it's so abc
If you get me
Thie groove's hard core
And you know the score
Comin' straight at ya as I said before
Time after time you tried to dis me
Now we're comin back with mystery
I sure did miss ya
This time I'll getch ya
I will have ya
This time I'll capture
Comin' with the force the name is gotch
Gotch back
Point break now p b's
P b' gotch gotch back wow
