

# Say Yeah!

Yves Larock

Say yeah yeah yeah  
We got it goin' on keep on rockin'  
Till the break of dawn got it goin' on and on  
Hey girl sitting there  
Looking so fly thinkin'  
You'r so cool  
I'm just king of guy you need  
To rock your world  
Throw down your wishin'  
Well if you wanna kiss then  
I won't tell break it down  
Catch my eye so  
We can get it on  
Can't you see

That I'm on my knees it's so abc  
If you get me  
This groove's hard core  
And you know the score  
Comin' straight at ya as I said before  
Time after time you tried to dis me  
Now we're comin back with mystery  
I sure did miss ya  
This time I'll getch ya  
I will have ya  
This time I'll capture  
Comin' with the force the name is gotch  
Gotch back  
Point break now p b's  
P b' gotch gotch back wow
