

Catch a Star

Men at Work

Experience babe
Kickin' stones and cans
Experience babe
Cigarette-stained hands It's not too late
Hear it in the wind
It's not too late for you
Feel passion creepin' in Intoxication
Familiar smells of the hotels
Infatuation
Of knowing who you are You and I, You and I
You and I
Arrow through my heart
Catch a star Isolation
Rows and rows of cars
Isolation
Like Jupiter and Mars Staring faces
Set in celluloid
Welcome to the late show
Starring Null and Void Complications
Things get in the way
Sweet sensation
Of knowing you are near and not too far You and I, You and I
You and I
Arrow through your heart
Catch a star You and I, You and I
You and I, You and I You and I, You and I
You and I
Freeway through your heart
Catch a star Catch a star
Catch a star
