Don't Ever

Missy Higgins

Let's take the train to anywhere
I wanna feel the wind in my hair with you
Let's tell them all, that soon they'll know

How very wrong they were to think we'd never goAnd if you tell me yours I'll tell you mine And we will clean the cobwebs out of one another's mindsDon't ever say you've tried

> To leave me in this life Don't ever say you've tried

For the last timeWe'll get a house where the trees hang low And pretty little flowers on our window sill will grow

We'll make friends with the milk man

And the butcher Mr.Timms will give us discounts when he canAnd if you tell me yours I'll tell you mine And we will clean the cobwebs out of one another's mindsDon't ever say you've tried

To leave me in this life
Don't ever say you've tried
For the last timeLa di da di da
La di da di da
La di da di da

Di da di da

Oh ohhDon't ever say you've tried
To leave me in this life
Don't ever say you've tried
To leave me in this life
Don't ever say you've tried
For the last time, babe
