Life Goes On

The Damned

Life goes on and on and on
If you think it's all gone wrong
Go on and on and onLife's a con, a con, a con
If you think you can't go on
Go on and on and onBut always remember
This is the happiest day in your lifeLife goes on and on and on
If you think it's all gone wrong
Go on and on and onLife's a con, a con, a con
If you think you can't go on
Go on and on and onBut always remember
This is the happiest day in your lifeAnd as the years, they move along
I see it now, there's something wrong
'Cause life is for always
Take your timeWho cares what fools say
I don't mind
'Cause this is my day
I'll live it my way
Today, there's just todayLife goes on and on and on
If you think it's all gone wrong
Go on and on and onLife's a con, a con, a con
If you think you can't go on
Go on and on and onBut always remember
This is the happiest day in your lifeAlright
