Get Up and Go

The Go-Go's

Hey, hey, hey, heyIf you get up and walk away
Leave the past behind
Go ahead and take a ride
No telling what you'll findThe words you say don't mean a thing
They fly right by my eyes
Lookin' the mirror don't look at me
Maybe then you'll realizeOh, oh, so get up and go
If you're so tired of moving slow
Go, if you're so tired of moving slow
Go, get up and goI was on the inside
Just looking out for you
But turn around to you to make the change
There's nothing I can doNow's the time for you to move
Actions shout out loud
So cut the talk and move your feet
'Cuz words get lost in crowdsQuit talking, start walking now
Quit talking, start walking nowSo get up and go
If you're so tired of moving slow
Go, if you're so tired of moving slow
Go, get up and goHey, hey, hey, heyGo, get up and go
Go, get up and go
Go, get up and go
Go, get up and goSo get up and go
If you're so tired of moving slow
Go, if you're so tired of moving slow
Go, if you're so tired of moving slow
Go, if you're so tired of moving slowGo, get up and go, oh, go
