

# Get Up and Go

## The Go-Go's

Hey, hey, hey, heyIf you get up and walk away  
Leave the past behind  
Go ahead and take a ride  
No telling what you'll findThe words you say don't mean a thing  
They fly right by my eyes  
Lookin' the mirror don't look at me  
Maybe then you'll realizeOh, oh, so get up and go  
If you're so tired of moving slow  
Go, if you're so tired of moving slow  
Go, get up and goI was on the inside  
Just looking out for you  
But turn around to you to make the change  
There's nothing I can doNow's the time for you to move  
Actions shout out loud  
So cut the talk and move your feet  
'Cuz words get lost in crowdsQuit talking, start walking now  
Quit talking, start walking nowSo get up and go  
If you're so tired of moving slow  
Go, if you're so tired of moving slow  
Go, get up and goHey, hey, hey, heyGo, get up and go  
Go, get up and go  
Go, get up and go  
Go, get up and goSo get up and go  
If you're so tired of moving slow  
Go, if you're so tired of moving slowGo, get up and go, oh, go
