# I'll Be Back Again

## Poco

I picked up my things and I said goodbye
Mmmm, I did it with such a sigh
Walked outside, tirned my eyes to the window pane
Yeah, saw you smilin' face once againI ain't never felt like this before
Like a soldier goin' off to war
And I knew I had to come back for more
And I saidI'll be back again
Yes, I will
Sure can't say just when
But I know
I'll be back again
Back to be with a new friend
I can't believe it's the end.I'm makin' my way back to L.A. town
I'm not sure if I feel up or down
There you stand, hand in hand,waiting patiently
I wonder if you'll smile on meI ain't never felt like this before
Like a soldier comin' home from war
But soon I'll have to walk out the door
And I'll sayI'll be back again . . . mmm
Sure can't say just when
But I know
I'll be back again
Back to be with a new friend
I can't believe it's the end.Everytime I see you I just can't believe my eyes
And It would come as no surprise
If I was fillin' my head full of liesI'll be back again
Yes I will
Sure can't say just when
But I knowI'll be back again
Back to be with a new friend
Here I come
I'll be back again
