Run (feat. Will Heard)

Rudimental

Trying to avoid the truth cause it hurts
I'm feeling to run, run, run, run, run; to run, run, run, run, run
Trying to protect myself from the blow cause it takes me down so low
I'm feeling to run, run, run, run, run; to run, run, run, run, runIs it only a matter of time 'til I lose my mind?
Oh I'm feeling to run, run, run, run, run; to run, run, run, run, run
And if I can find my fears, shed those tears
Maybe I'll come back homeI need to let it out
Gonna let go of my pride
I got to let it out
I, I got to let it out
Trying to avoid the truth cause it hurts
I'm feeling to run, run, run, run, run; to run, run, run, run, run
I don't wanna see your face, I'm feeling outta place
Oh I'm feeling to run, run, run, run, run; to run, run, run, run, runAnd is it only a matter of time before I lose my mind?
Oh I'm feeling to run, run, run, run, run; to run, run, run, run, run
If I can find my fears, shed those tears
Maybe I'll come back homeI need to let it out
Gonna let go of my pride
I got to let it out
I, I got to let it out
I'm trying to run, there's no use looking back
I'm trying to run, there's no use looking back, no, no, no, no
I'm trying to run, there's no use looking back
I'm trying to run, there's no use looking back, noI got to let it out
I, I got to let it out
