

It Didn't Make a Sound

Court Yard Hounds

When I called I heard you say
"Tell her I'm out"
And don't you know I'm smart enough
To figure you out? You said, "Come on we need to talk
Let's go for a ride"
But you don't have to say a thing
I can read your mind I hear the song on the radio playing loud
I might forever hear the words
You felt that let me down Hey, but my heart breaking
Hey, but my heart breaking
It didn't make a sound
It didn't make a sound We sat up all night
While you apologized
And I think you were surprised
To see me smile But all I heard was the sound
Of the freedom bells ringing
I bet you thought I would be breaking down Hey, but my heart breaking
Hey, but my heart breaking
It didn't make a sound
It didn't make a sound Hey, but my heart breaking
Hey, but my heart breaking
Hey, but my heart breaking
Hey, but my heart breaking It never made a sound
It didn't make a sound
It didn't make a sound
It never made a sound Go ahead and leave me darling
You won't ever see me crying
You'll never hear my heart breaking
It didn't make a sound
It didn't make a sound
It never made a sound
