

Bottle of Red Wine

Derek and the Dominos

Get up, get your man a bottle of red wine
Get up, get your man a bottle of red wine
I can't get up out of bed
With this crazy feelin' in my head
I said, "Get up, get your man a bottle of red wine" Get up, get your man a bottle of red wine
Get up, get your man a bottle of red wine
You hear what I say?
Gonna love you anyway
Get up, get your man a bottle of red wine I went to an all-night get together
And everyone I knew was there
Had the love that would last forever
Everywhere I looked, I saw you standin' there Get up, get your man a bottle of red wine
Get up, get your man a bottle of red wine
I can't get up out of bed
With this crazy feelin' in my head
I said, "Get up right now, oh oh"
I said, "Get up right now" Feel so bad this mornin', got a terrible headache in my head
Do me a favor, baby, do me a favor please
Please get up, get your man a bottle of red wine
Get up, get up, yeah get your man a big big bottle of red wine
