

# Emotion (The Neptunes Remix)

## Destiny's Child

It's over and done  
But the heartache lives on inside  
And who's the one you're clinging to  
Instead of me tonight? Ooh, baby And where are you now, now that I need you?  
Tears on my pillow wherever you go  
I'll cry me a river that leads to your ocean  
You never see me fall apart  
In the words of a broken heart It's just emotion takin' me over  
Caught up in sorrow, lost in my soul  
But if you don't come back, come home to me, darlin'  
Don't you know there's nobody left in this world  
To hold me tight?  
Don't you know there's nobody left in this world  
To kiss goodnight? goodnight, goodnight I'm here at your side  
I'm part of all the things you are  
And you've got a part of someone else  
You've got to find your shining star And where are you now, now that I need you?  
Tears on my pillow wherever you go  
I'll cry me a river that leads to your ocean  
You never see me fall apart  
In the words of a broken heart It's just emotion takin' me over  
Caught up in sorrow, lost in my soul  
But if you don't come back  
Come home to me, darlin'  
Nobody left in this world  
To hold me tight  
Nobody left in this world  
To kiss goodnight, goodnight And where are you now, now that I need you?  
Tears on my pillow wherever you go  
I'll cry me a river that leads to your ocean  
You never see me fall apart  
In the words of a broken heart It's just emotion takin' me over  
Caught up in sorrow, lost in my soul  
But if you don't come back  
Come home to me, darlin'  
Don't you know there's nobody left in this world  
To hold me tight  
Nobody left in this world  
To kiss goodnight, goodnight, goodnight
