

# Your Love (feat. The Outfield) [Extended Mix]

[Morgan Page](#)

Josie's on a vacation far away  
Come around and talk it over  
So many things that I want to say  
You know I like my girls a little bit older  
I just want to use your love tonight  
I don't want to lose your love tonight  
I ain't got many friends left to talk  
to  
Nowhere to run when I'm in trouble  
You know I'd do anything for you  
Stay the night but keep it under cover  
I just want to use your love tonight  
I don't want to lose your love tonight  
Try to stop my hands from shaking  
But something in my mind's not making sense  
It's been a while since we were all alone  
But I can't hide the way I'm feeling  
As you're leaving please would you  
close the door?  
And don't forget what I told you  
Just 'cause you're right that don't mean I'm wrong  
Another shoulder to cry upon  
I just want to use your love tonight  
I don't want to lose your love tonight  
I just want to use your love tonight  
I don't want to lose your love tonight  
I just want to use your love tonight  
I don't want to lose your love tonight  
Use your love, lose your love, your love!
