

# Soft Like Clay

## Beaty Heart

Are you gonna shape me? (gonna, gonna)

Know me in to your way.

And are you gonna make, make, make me?

Are you (gonna x8)

Gonna shape me?

In behind the eyes.

Gonna paint me?

Colours that you like.

So are you gonna shape me?

I am soft like clay.

And do you wanna remake me?

Make me, make me.

Know me in your way.

And you're gonna break me?

Did you mistake me?

Are you gonna shape me?

Leave me far behind.

Gonna waste me?

When i lose my shine.

So are you gonna shape me?

I am soft like clay.

And do you wanna remake me?

Make me, make me.

Know me in your way.

Whats the tempo,

Of your heart tonight?

Whats the sentance,

that your voice will write?

And do you wanna remake me?

Make me, make me.

Know me in your way.

So are you gonna shape me?

I am soft like clay.

And do you wanna remake me?

Make me, make me.

Know me in your way.

Soft like clay.
