Electric Blue

Andy Bell

Electric blueI just freeze
Every time you see through me
Help me, baby
Tell me, what can I do?
Electric blueIf a boy had a chance
A chance with someone like you
Are you gonna break his heart?
Let him cry for the moon?
Are you hiding somewhere behind those eyes?I just freeze
Every time you see through me
And it's all over you
Electric blueOn my knees
Help me, baby
Tell me, what can I do?
Electric blueI just freeze
Every time you see through me
And it's all over you
Electric blueOn my knees
Help me, baby
Tell me, what can I do?
Electric blueOh, I had a dream
For a moment I believed it was true
Oh, I'd have given anything
Just to be there with you
Are you hiding somewhere behind those eyes?I just freeze
Every time you see through me
And it's all over you
Electric blueIn too deep
Standing here waiting
As I'm breaking into
Electric blueI can see
Can see that it may be
Just a vision of you
Electric blueOn my knees
Help me, baby
Tell me what can I do?I just freezeI just freeze
Every time you see through me
And it's all over you
Electric blueIn too deep

Standing here waiting
As I'm breaking into
Electric blueI can see
Can see that it may be
Just a vision of you
Electric blueOn my knees
Help me, baby
Tell me what can I do?
Electric blueElectric blue
Electric blue
Electric blue
