You Don't Know What Love Is

Chet Baker

You don't know what love is
Until you've learned the meaning of the blues
Until you've loved a love you had to loose
You don't know what love isYou don't know how lips hurt
Until you've kissed and had to pay the cost
Until you've flipped you're heart and you have lost
You don't know what love isDo you know how lost hearts fear
The thought of reminiscing
And how lips tasting of tears
Loose the taste for kissingYou don't know how hearts yearn
For love that cannot live yet never dies
Until you've faced each dawn with sleepless eyes
How could you know what love is
