Starting Over

Killswitch Engage

Yeah, come on
Do you remember what we used to have?
As if all our dreams were possible
All that existed was you and I
But distance has torn us apart
Forgive me for all that I've done wrong
Lead me back to where my heart belongs
Can we start again?
Go back in time to where we started
Can we start again?
What we have can't be discarded
Do you remember the promises we made?
But somehow we have lost our way
Take me back to where my heart belongs
Forever grateful every day
I know that you doubt my words
I swear there will never be regret
Can we start again?

We thought love was everlasting
Can we start again?
What we have just can't be wasted
Silent thoughts were broken
And words that can't be taken back
But you mean so much more to me
Than anything, anything I've ever known
And this is the hope for tomorrow
That today you will return
Can we start again?
Go back in time to where we started
Can we start again?
What we have can't be discarded
Can we start again?
(Don't you remember?)
Can we start again?
(Ohh, oh)
Can we start again?
Go back in time to where we started?
