It All Comes Back

Tower Of Power

[IT ALL COMES BACK]You may win, you may lose, no matter what the choice, you gonna have to choose
Keepin up with the Jones's, is not a wise course
You gotta build your own road, tell the man to join
Hmm, it's all so simple, HA, it really is
It's a well known fact y'all, that what you put out is what you get
CHORUS:
Give it up, put it out, add it up, double it, it all comes backGot a problem, put a damper on your day
Confusion all around, you can't find your way
Ooooh funky words fallin from your mouth
It's like a lot of excuses, you're just lyin to yourself
WAKE UP, life's too short
Such a silly game, only thing you win is a crying shame
CHORUS x2
So many people, so many try, to hide what they feel inside
I won't play that game, I must admit I tried
I'd rather die now, than live the lieSOLO (16 bars)CHORUS Out
