

# Ugly In the Morning

## Faith No More

You did one thing wrong  
You woke up.  
It looked better before  
More-more  
And the stomach turns...  
Say nothing without wasting a word  
I know exactly what you meant  
I know how piggy feels  
He starves without missing a meal  
Look in the mirror...  
Don't look at me-  
I'm ugly in the morning  
When the headache is gone,  
The sun is not.  
Forgot to turn the alarm  
On-on  
Doesn't matter how much you think  
Or the number of hairs in the sink  
I did it to myself again  
I know how piggy feels  
He starves without missing a meal  
It's getting clearer...  
Don't look at me-  
I'm ugly in the morning
