

Are You Ready For Me

Tommy Shaw

Are you ready for me?
Are you ready for me?
Are you ready
Are you ready, ready for me? I hear you're really something
Is it true you broke a million hearts?
Try a million and one You've got a private number
You've got a foreign car that's always parked
Where the high rollers run Well, I'm not impressed and you don't get it
What I've got for you is one big surprise
Ooh Are you ready for me?
I might break your heart
Are you ready for me?
Tear your world apart
Are you ready (ready)
Are you ready
Are you ready for me? Not in your wildest dreams
Did you ever think that just one man
Could make you lose your control Well, I can tell you're tempted
Honey, here I am
All you've got to do is never say no You've got the questions, I've got the answers
If you've got the lock, I've sure got the key
Ooh Are you ready for me?
I might break your heart
Are you ready for me?
I'll tear your world apart
Are you ready (ready)
Are you ready
Are you ready for me? Are you ready for me?
Gonna show you what love should be
Are you ready for me?
Better tighten your security
Are you ready (ready)
Are you ready
Are you ready for me? I am the one your daddy warned you about
All the things he said are probably true So make up your mind - I can take it or leave it
'Cause you know in your heart what you're gonna do
Ooh Are you ready for me?
I might break your heart
Are you ready for me?

Tear your world apart
Are you ready (ready)
Are you ready
Are you ready for me?
Ooh, babyAre you ready for me?
Gonna show you what love should be
Are you ready for me?
You better tighten that security
Are you ready (are you ready)
Are you ready
Gotta get ready for me (ready for me)
Yeah, ooh babyAre you ready for me?
What it's all about
Are you ready for me?
Ooh, babe, I'll make you scream and shout
Are you ready (ready)
Are you ready
Are you ready for me?
Yeah, yeah, yeahAre you ready for me?
We're gonna do it again
