

# Never Think

Rob Pattinson

She'll never think  
What's in your heart  
What's in our home  
It's all our own You'll learn to hate me  
But still call me baby  
Oh, lord  
Just call me by my name And say it's so  
Say it's so  
Before you're too far gone  
Before nothing can be done I'll try to decide when  
She'll lie in the end  
I ain't got no fight in me  
In this whole damn world  
So you hold off  
She should hold off  
It's the one thing that I know Once I put my coat on  
I coming out in this all wrong  
She's standing outside holding me  
Saying, 'Oh, please  
I'm in love  
I'm in love' Girl say it's so  
Go on say it's so  
Before you're too far gone  
Before nothing can be done 'Cause without me  
You got it all  
So hold on  
Without me you got it all  
So hold on  
Without me you got it all  
Without me you got it all  
So hold on  
Without me you got it all  
So hold on  
Without me you got it all  
So hold on
