Maybe You'll Be There

Sarah Vaughan

(You said your arms would always hold me
You said your lips were mine alone to kiss
Now after all those things you told me
How can it end like this?
Don't let it end like this)

Each time I see a crowd of people
Just like a fool I stop and stare
It's really not the proper thing to do
But maybe you'll be there
(Maybe you'll be there)

I go out walking after midnight
Along the lonely thoroughfare
It's not the time or place to look for you
But maybe you'll be there

You said your arms would always hold me
You said your lips were mine alone to kiss
Now after all those things you told me
How can it end like this?

(And then your arms will always hold me
Your lips will be mine alone to kiss)
I'll never have to hurry to the door
'Cause, baby, you'll be there
(Baby, you'll be there
Maybe, you'll be there)
