

B for My Name

Beastie Boys

b is the name he ant plalying no games cool is his nature hot is the taste so dont let it go to waste beasty ant playing they are just wating brown is the name of the game but i can tell he didnt start the game he been spying on lee thats the truth so please let it b leeroy ant playing hes just getting quiker so go figure whatch out so dont screem and shout pick up the mike because jerome ant no killer but i can tell you he likes a thriller peace im sure it will b you just have stop playing those games with b stop blaming all heat on someone else just have fun make everyone smile you will see what the wolrd can b
