

# See You Later Alligator

## Little Feat

Well, I saw my baby walkin' with another man today  
Yes, I saw my baby walkin' with another man today  
When I asked her what's the matter  
This is what I heard her say See you later alligator, after 'while crocodile  
See you later alligator, after 'while crocodile  
Don't you know you're in my way now  
Can't you see you cramp my style When I thought of what she told me, nearly made me lose my head  
When I thought of what she told me, nearly made me lose my head  
Well, when she asked what's the matter  
Reminded her of what she said See you later alligator, after 'while crocodile  
See you later alligator, after 'while crocodile  
Don't you know you're in my way now  
Can't you see you cramp my style I said wait a minute 'gator, I know you meant it just for play  
I said wait a minute 'gator, I know you meant it just for play  
But don't you know you really hurt me  
And this is what I have to say See you later alligator, well after 'while crocodile  
See you later alligator, well after 'while crocodile  
Don't you know you're in my way now  
Can't you see you cramp my style
