

# True to Your Heart

Keke Palmer

Baby, I knew at once  
That you were meant for me  
Deep in my soul I know  
That you're my destiny Though you're unsure  
Why fight the tide?  
Don't think so much  
Let your heart decide Baby, I see your future  
And it's tied to mine  
I look in your eyes  
And see you searching for a sign But you'll never fall  
'Til you let go  
Don't be so scared  
Of what you don't know True to your heart  
You must be true to your heart  
That's when the heavens will part  
And baby, shower you with my love Open your eyes  
Your heart can tell you no lies  
And when you're true to your heart  
I know it's gonna lead you straight to me  
Hit the basement, remix Someone you know is on your side  
Can set you free  
I can do that for you  
If you believe in me Why second-guess?  
What feels so right?  
Just trust your heart  
And you'll see the light True to your heart  
You must be true to your heart  
That's when the heavens will part  
And baby, shower you with my love Open your eyes  
Your heart can tell you no lies  
And when you're true to your heart  
I know it's gonna lead you straight to me You know it's true  
Your heart knows what's good for you  
Yeah, yeah, yeah, yeah, yeah, yeah You know it's true  
It'll see you through, yeah, yeah  
Clap your hands, stomp your feet Boy, my heart is driving me to where you are  
You can take both hands off the wheel and still get far  
Be swept away and enjoy the ride  
You won't get lost, yeah, with your heart to guide you True to your heart

You must be true to your heart  
That's when the heavens will part  
And baby, shower you with my love Open your eyes  
Your heart can tell you no lies  
And when you're true to your heart  
I know it's gonna lead you straight to me  
To me, to me I know it's gonna lead you straight to me  
Put a smile on your face, come on  
I know it's gonna lead you straight to me, yeah
