Everclear

It's a beautiful day, (Yeah)
If you look up in the air, you can see the sky
It's a beautiful day, (Yeah)

If you stare at the sun, you will burn your eyes
I do not believe in the lucky numbers
I do not believe in the on the wishing on the star
Yeah to tell you the truth,
I know there is a good reason for all of your bad dreams
You know all of its true
People love to tell you things that will break your heart

(Yeah people love to break your heart)

I do not believe in the things that I can not see
No, I do not believe in the pretty disguise
Tell you the you the truth,
I know they want me to believe that they know what's best for me
You know its true
People love to hit you when you close your eyes
